on the industry's best-built, highest performing portable extractor - the HVE 3000!

Incredible!! For each Dri-Eaz HVE 3000 you purchase June 14 - July 14, we'll give you an Extraction Tool ABSOLUTELY FREE!

Act fast before we come to our senses!

Now through July 14, buy an [HVE 3000](#) (F479) and get an [Extraction Tool](#) (F511) **FREE*** - a whopping **\$595 retail value!** We know it's a bit crazy, but you're worth it.

Demand for the HVE 3000 is HIGH - here's a few reasons why:

- Engineered and **built-tough** by the industry's leader in extraction and drying technology
- Designed for **flexibility** and performance to excel as a **flood extractor** – not a portable carpet cleaner converted to a flood pumper
- **More vacuum** than competitive units with a larger waste pump out
- **Quick access** pre-filter basket to capture debris, **no-clog** industrial pump, plus **easy-clean** cylindrical waste tank
- **Versatile** - use as an inline vacuum booster for long hose runs from truck
